

STEPHEN CENTER HERO Program

~ Health, Empowerment, Responsibility and Opportunity ~

The HERO Program is located at 5217 S. 28th, Omaha Nebraska, 68107. The phone number is (402) 715-5440 or hero.admissions@stephencenter.org.

The Stephen Center HERO Program is based on the Integrated Dual Diagnosis Treatment of recovery utilizing evidence based practices and client focused care. The HERO Program provides substance abuse treatment for low-income and homeless persons aged 19 and above. Residential and outpatient services are provided for persons who are dually diagnosed with substance abuse and mental illness.

MISSION STATEMENT:

The HERO Program, as part of Stephen Center's overall mission to assist individuals and families restore their physical, emotional, and spiritual health, helps homeless men and women to overcome the mental health and substance abuse problems in their lives.

PROGRAM PHILOSOPHY:

The HERO Program uses structured classes, group and individual therapy, case management services, and implementation of new behaviors and development of new skills and tools to help these men and women achieve success in dealing with their mental illness and substance abuse. The HERO Program provides an environment focusing on Health, Empowerment, Responsibility, and Opportunity to optimize prospects for success.

EDUCATIONAL APPROACH:

A cornerstone of the HERO Program is "investment"...a solid investment in the persons served by the HERO administrators and teachers and a deep and committed investment of the persons served in themselves and their recovery. Persons served are expected to participate actively and willingly. They are expected to gather in content, record how it applies to them specifically and to practice what they learn. They must also discuss their understanding and personal application of this knowledge in concrete terms, in groups or individually. Immediate constructive feedback from teachers/counselors is provided in a positive, respectful and supportive manner.

HOURS AND DAYS OF OPERATION

The HERO Program is a 24-hour, 7 days a week residential treatment facility.

Revised: 10/2/13, 10/1/14, 8/6/15, 6/15/16, 1/6/19, 4/8/21, 6/28/21, 3/10/22, 3/12/2022,

Billing Coordinator can inform on current rate at time of inquiry.

PHASES OF CARE:

TIP

When clients are admitted to treatment they enter Transition Into Programming (TIP)

During this phase clients complete all admission paperwork, are oriented to the building and the program, assigned a buddy and introduced to their primary care team.

- The initial treatment plan is presented to client within 24 hours of admission.
- The amount of time in TIP depends on how well clients respond to staff direction and progress on initial treatment plan. This is generally between 24 and 48 hours.
- During TIP, clients follow TIP program schedule, releases of information are obtained, discharge plans are formulated, families are contacted to invite them to Family Program and clients are assigned a primary counselor and a program buddy.
- Introduction/acceptance into the treatment community.

Short Term Residential

Upon successfully completing TIP, clients attend the regular program schedule.

- No outside appointments are allowed with the exception of prearranged medical and court ordered appointments that cannot be changed and newly scheduled community referral appointments.
- There is a 2-week “blackout” period when clients are not allowed any phone calls. Any outside visitors are approved by counselor with input from referral source and are immediate family only. This allows for full integration into treatment. Blackout may be extended if deemed necessary by clinical staff.
- Clients are required to attend four (4) weeks of Family Programming, preferably with participation of family members.

- The individual treatment plan is presented to client within 10 working days.
- Clients' length of stay depends on client's response to individual treatment plan.
- General length of time clients remain in STR is between 30 to 45 days.
- Discharge plans are reviewed every 30 days.
- When clients have made significant progress on their individual treatment plans and complete STR, they progress into the next treatment level of care recommended by clinician. Stephen Center staff works with client and their support and referral sources to determine the best course of action.
- Major tasks include writing a life story, completing a drug chart and introduction/acceptance into the treatment community.
- Clients meet weekly with their assigned individual counselor and case manager.
- Case Management assesses for any additional needs of client.

Intensive Outpatient

- Clients are eligible to reside in structure housing while attending IOP
- Clients are eligible for passes to look for employment, attend support group meetings, attend church and spend time in leisure activities.
- Clients are given access to their cell phones if approved by their referral source to ease the barrier employment search.
- Clients are **expected** to secure employment **within the first two** weeks.
- When clients are on disability and cannot work, we will assist them in securing a meaningful volunteer assignment.
- Discharge plans are reviewed.
- When clients have met their treatment plan goals they are eligible for program completion.
- IOP program is 6–12 weeks. Focus is on continued development of life skills, recovery skills and self-determination.
- Clients meet weekly with their assigned individual counselor and case manager.

Transitional Living (Optional)

Upon completion of treatment clients have the option to stay living in a sober living environment.

Structured living is recommended upon discharge from primary treatment.

- Clients are required to be working a program of sobriety that requires regular support meeting participation and planned meetings with sponsors.
- Clients in transitional living will continue to meet with their case manager and maintain a case management plan that includes transition/discharge.
- Clients in Transitional Living must follow all guidelines of Stephen Center HERO Program.
- Clients in Transitional Living must pay rent on time or may result of exit from housing.
- Connection with the treatment facility is evidenced to provide stability and continued sobriety in early recovery.

IMPORTANT FACTS:

Medications

Persons interested in entering our substance abuse program must be aware that this is a self-medication treatment program. Medications are locked in a secured area; dispensing is monitored by staff. There are no physicians on duty. Addictive medication or medications that will result in a positive urinalysis (UA/BA) are **NOT** allowed in our facility. It is the responsibility of each client seeking treatment to inform their own medical personnel of this policy prior to entering our facility. You must be off of these medications **BEFORE** entering treatment.

Support Group Meetings

Clients involved in any phase of treatment are required to attend support group meetings.

Financial Obligations

Meeting financial obligations is an important part of recovery. All clients are required to make regular payments for housing and program fees as required. Upon securing a job, clients will be required to submit all pay stubs to their Case Manager and create a monthly budget to assist with financial stability.

Past treatment bills must be paid in full before former clients are eligible to re-enter treatment.

Clients who do not meet the expectations of paying their treatment bill in a timely manner may be evicted for non-payment, and unpaid bills may be turned over to a collection agency.

Meals

Three meals a day are provided at no additional costs. Grocery supplies in the client rooms needs to be kept at a minimum due to storage space available. Coin-operated snack machines are available in the buildings lower level.

Laundry Facilities

Washers and dryers are available for client use at no additional cost. Detergent is provided. Irons and ironing boards are available and located in the laundry room on each floor.

Client Apartments

Client apartments house up to four clients. Each unit includes a small kitchenette with sink, mini-fridge and microwave, a full bathroom and two bedrooms. Each bedroom contains two twin beds and wardrobes with drawers. Bedding is provided; however, clients are welcome to bring their own pillows and bedding if desired. Clients are responsible for cleaning their own apartments daily.

ALL Client belongings will be subject to being placed in the intensive heat room to prevent bed bug infestation from outside sources.

Unscheduled Exit from Program

Clients who leave treatment against staff advice or are discharged due to non-compliance of treatment expectations will be subject to approval before being allowed to reside at the Stephen Center Shelter.

Any medication left behind will be disposed of. Personal items left behind will be disposed of after 48 Hours the following business day.

Visitation

Visitors are restricted to family members only and must have prior approval by the client's counselor. Visitors are required to show photo id upon entering the building. Treatment staff and RSS's have the ability to deny visitation by any guest if they are deemed inappropriate. Short Term Residential clients are not allowed any visitors for the first 2 weeks of treatment involvement, except to attend Family Group. Any items brought in by visitors are subject to search – items handed directly to clients will be confiscated and/or discarded.

Visitation is held:

Saturday 3:00 pm – 4:30 pm, after Blackout

*The last Saturday of the month 3:00 pm – 7:00 pm (clients may sign up family members to eat dinner at the Stephen Center HERO Program)

Sunday 3:00 pm – 4:30 pm beginning at Blackout
