

Our Mission

Stephen Center partners with individuals, families and the community to overcome homelessness, substance abuse and mental health concerns.

Celebrating 40 Years of Help • Hope • Heroes

2023 Year In Review

Each January, Stephen Center compiles annual data to assess our performance and success from the prior year. It's easy to focus on numbers served, meals provided, and volunteer hours... all of these things have impact in the lives of individuals and families in our community.

The real impact, however, is measured in the smiles of people who experienced homelessness, addiction or poverty who find stable housing for themselves and their loved ones.

Remember, for 40 years there is a person behind each number on the following pages, and a life that is better because of your support. Thank you for contributing to another successful year for Stephen Center clients!

Celebrating 40 Years of Compassion & Service

Dear Valued Supporters and Friends,

I am thrilled to write to you today as we celebrate a significant milestone in the history of Stephen Center - our 40th anniversary! Since our humble beginnings four decades ago, we have remained steadfast in our commitment to serve homeless and low-income individuals in Omaha with dignity, and respect.

From converting an old bar into a homeless shelter to evolving into a state-of-the-art campus which offers a comprehensive range of programs and services, our journey has been one of growth, resilience, and compassion. None of this would have been possible without the unwavering dedication of our founders, Dick and Sharon McNeil, whose vision and passion continue to inspire us to this day.

As we commemorate this special occasion, I am delighted to introduce you to our new Interim CEO, Teri Corcoran. Teri brings with her a wealth of experience and a deep commitment to our mission. Her leadership and expertise will be instrumental in guiding us through this transitional period and ensuring the continued success and growth of Stephen Center.

Teri has been a dedicated member of the Stephen Center community and will continue to bring the same level of resilience and devotion to this new position. With her guidance and the support of our dedicated staff, volunteers, donors, and community partners, I am confident that we will build upon our already strong foundation and continue to make a meaningful difference in the lives of those we serve.

On behalf of the Board of Directors, I want to express my heartfelt gratitude to each and every one of you for your continued support and commitment to our mission. Whether you have volunteered your time, made a donation, or simply spread the word about what we do, your contributions have helped us transform lives and create positive change in our community.

As we embark on the next chapter of our journey, let us continue reaffirming our commitment to serve with compassion, advocating for those in need, and building our community. Together, we can make a difference.

Thank you for being a part of the Stephen Center family.

Warm regards,

A handwritten signature in blue ink that reads "Bill Birkel". The signature is fluid and cursive.

Bill Birkel,
President, Board of Directors

Here's to the next 40 years of the Stephen Center! Become a monthly donor and give \$40/month in honor of 40 years of service.

NEW BOARD MEMBERS & Volunteer Spotlight

Stephen Center is pleased to announce the addition of three new members to the Board of Directors, **Lenli Corbett, Jackie Ryan and Kylie Widhelm.**

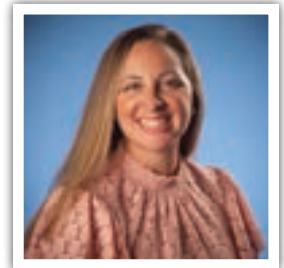

Lenli is the CEO/President of Saving Grace Perishable Food Rescue, one of Stephen Center's valued partners and food providers. She brings a wealth of experience in the nonprofit and foundation sectors.

Lenli Corbett

Jackie Ryan

Kylie Widhelm

Jackie is an attorney at Koley Jessen, specializing in labor and employment

law. She has graciously volunteered her time and talents with Stephen Center as an ad hoc member of the Human Resources Committee prior to becoming an official board member.

"Dr. Kylie", as she is affectionately referred to on campus, is an occupational therapist who has specialized in trauma ICU, hospital leadership, and mental health. She is currently faculty in the doctoral occupational therapy program at Creighton University and is the VP for mental health and wellness for the Nebraska Occupational Therapy Association. She has been running a pro bono clinic at the Stephen Center for 3 years providing individual and group evaluations and interventions for all programs.

Our gratitude is extended to retiring board members **Jude Knipper, Madeline Moyer and Krystal Vuong-Wegner** for their unmatched dedication and service to the Stephen Center mission.

Volunteer Spotlight: Creighton University

We're excited to share a transformative collaboration between Creighton faculty and the Stephen Center addressing the complex challenges faced by homeless children, youth and families. Led by Kylie Widhelm OTD, OTR/L, the healthcare team aims to break the cycle of homelessness through targeted support and education.

Children and youth facing homelessness often encounter significant challenges, from chronic diseases to behavioral health issues, trauma, and disruptions in their education. These difficulties can result in developmental delays, creating a cycle that is hard to break without the right resources and education.

The solution facilitated by the Creighton healthcare team involves developing weekly age-appropriate support groups at Stephen Center through a \$25,000 grant. These groups, spearheaded by faculty members Kylie Widhelm, Tara Eickhoff, PharmD, MBA, and Patti Gardner DNP, APRN, focus on achieving developmental milestones, promoting positive mental health, and providing resources to reduce recidivism.

We thank Creighton University for being a beacon of hope for those in need.
